

# STAGES OF healing

DAY 1

Aww, thank you  
I love them so much

DAY 2-4

What?!?  
Why are they so dark?

DAY 4-7

They're scabbing  
and itchy but I won't pick

DAY 8-10

My brows are so light now,  
but they said it's NORMAL

DAY 14-28

Oh! The color is back.  
I'll schedule my touch up

AFTER TOUCH UP

I'm obsessed!  
Definitely worth the process
